better option. Michael reported to the Committee that the IAAI has placed a large pop up notification on the IAAI web site regarding donations.

4. President's Report

Michael Forbes reported that the NSWAFI (and the other AAFI Associations) were working towards the AAFI 2020 in October and the NSWAFI should be promoting that as much as we can.

Michael said he would like to run the Ross Brogan Scholarship in 2020 and asked for Committee support to do that. This would mean the successful applicant would have their Conference registration paid by the NSWAFI, however, the successful applicant would have to fund their travel and accommodation costs to and in New Zealand. Michael reminded all that the successful applicant had to be a fine and upstanding member of the NSWAFI. Michael also said that the applications would be taken from all members meeting the selection criteria, but it has been difficult to engage the membership.

Bob McKay expressed an opinion that 2020 may be different, as the AFI is in Rotorua, New Zealand

Michael said that a Selection Committee should be established tonight to assess applications. The criteria are a financial member for at least five years and of good standing. The Selection Committee members would not be able to apply for the scholarship. Each Applicant must present a short narrative as to why they should be considered for the Ross Brogan Scholarship.

Bob McKay said that as his conference, travel and accommodation expenses were tax deductible, he would not consider applying for the Scholarship and therefore, would be happy to sit on the Selection Committee.

During the ensuing discussion, it was agreed by the Committee members present that the Selection Committee would consist of Bob McKay, Taylor Pallaton and Alex Visotin. Michael Forbes' only involvement in the Selection Committee would be if there were any issues.

Michael is to email NZAFI regarding the Early Bird Registration. Alex suggested that the closing date for Ross Brogan Scholarship Applications should be two weeks before the Early Bird close. All Committee present were in agreement.

Michael undertook to craft letter regarding Membership Renewals. Taylor Pallaton said letters to the RFS re memberships had to be sent out.

Finally, Michael said that, as per the last AAFI was the NSWAFI going to fund President's registration to attend AAFI 2020. Mark Pellegrino asked if it should not be that Presidents, of the formation associations, should have free registration. Michael reported that this was not usually done, as this could make the difference between a loss for the conference or breaking even. Mark also asked if presenters were charged registration. Michael said that previously it was common for presenters to receive a one day free registration. Bob McKay said that when he attended and presented at the Fire In Vehicles (FIVE 2018) in Sweden, he only received a discounted registration, as the only the keynote speakers were fully funded.

Bob McKay then moved a motion for the NSWAFI President's registration costs to the AAFI 2020 be funded by the NSWAFI.

Moved: Bob McKay
Second: Sonia Scott

Mark Pellegrino said he thought his IAAI membership was due this year and Michael Forbes said he had just renewed his IAAI membership. Michael said any committee member renewing their IAAI membership should send in their invoice/receipt for reimbursement. Michael then asked if any of the present Committee were not now members of the IAAI. All present Committee members confirmed they are IAAI members
